INVITATION

INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE

„60 years of Forest Protection Stations in Bulgaria “

12-14 October 2020, Plovdiv, Republic of Bulgaria

Dear Colleagues,

We have the pleasure to invite you to participate in the International Scientific and Practical Conference on the occasion of 60 years since the establishment of the Forest Protection Stations in Bulgaria that will be held under the auspices of the Minister of agriculture, food and forestry between **12-14 October 2020 in the International Fair Plovdiv.**

The conference will present papers and posters related to the history and scientific and practical achievements in the field of forest protection, current health problems in forests and the future development of forest protection activities in Bulgaria.

Your participation will contribute to the development of forest protection science and practice in Bulgaria and in the countries of the Balkan Peninsula.

The presented papers and posters will be issued as scientific publications in a compilation „60 years of Forest protection stations in Bulgaria“.

Important dates:

- Registration for participation and resume - **15.04.2020**
- Full text of papers and posters - **30.06.2020**

Please send all inquiries and papers to the organizational committee:
60years1zs@gmail.com

Sincerely yours,
Dipl. eng. Miroslav Marinov
Executive Director
